

THE HONEYBEE

AND HOME CHURCH

A **bee colony** is known as a **super-organism** as no single bee can survive on its own. There is division of labor and every member must carry out their own bee roles and duties, and co-operate with one another for survival.

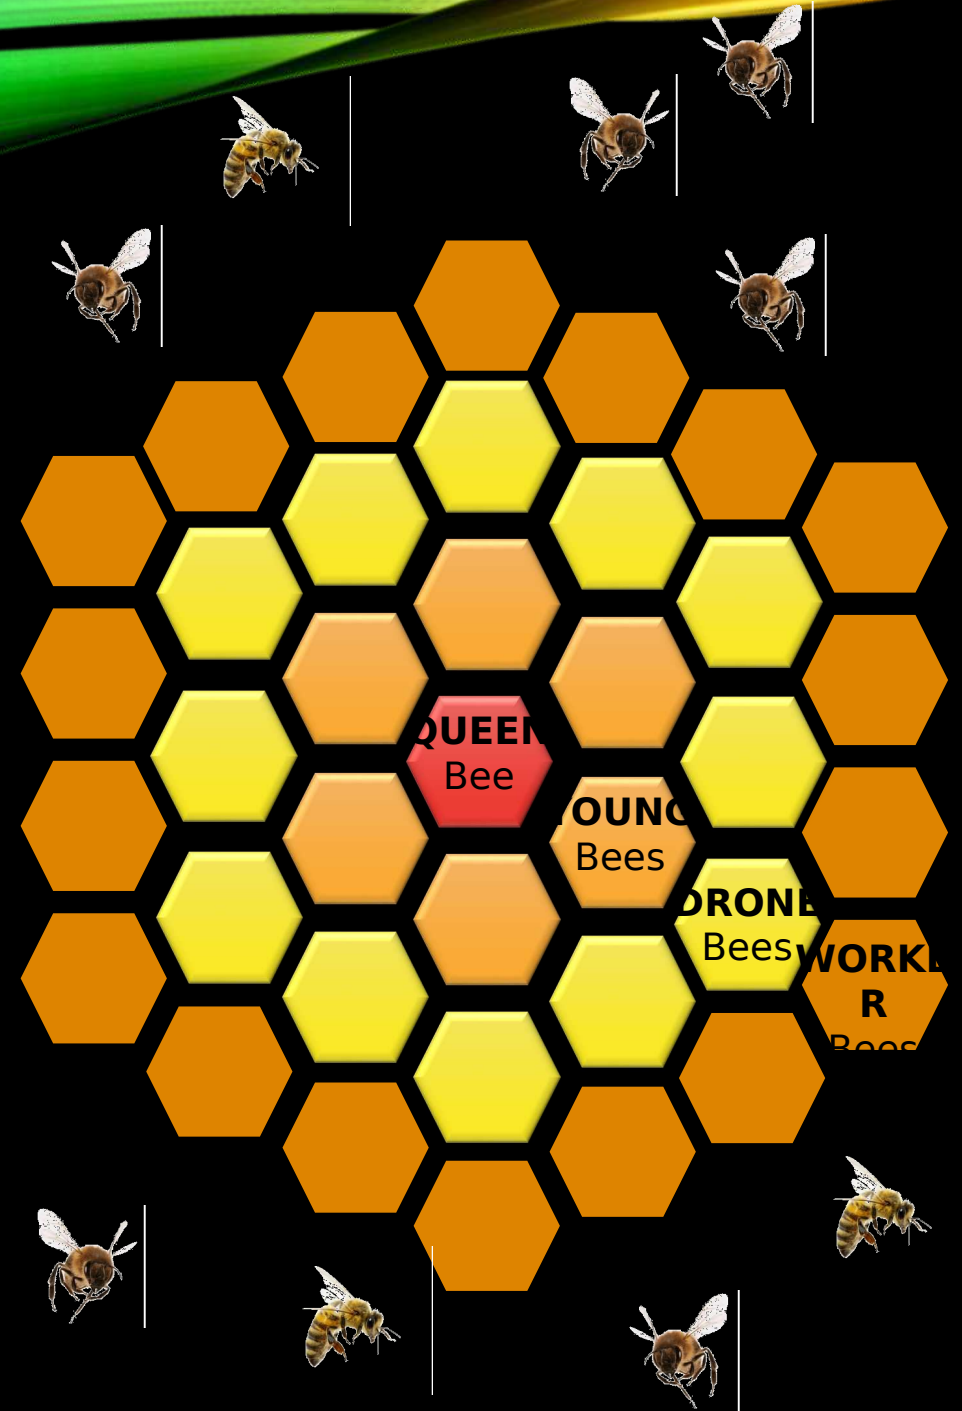

The **Church [Body] of Jesus Christ** is a **Living Organism!** God created **ALL** people to **BELONG** and to have **FELLOWSHIP** within a **COMMUNITY**. Without **THIS** we will also not **SURVIVE!**

- Well **Organized & Structured** Social Insects.
- Protection / Unity
- Dedication
